

Dear Mooney Flyers,

Well, we have scheduled a fly-in to Atlanta, Georgia (KPDK) on Saturday, February 27th. The Airport will close a runway to make space for us to park together. For lunch we have arranged a buffet at the 57th Fighter Group. The dining experience is inspired with a regional twist on classic American cuisine in an intimate 1940s European farmhouse setting. Groups, families and long-time friends enjoy coming back to the 57th Fighter Group Restaurant to unwind and reunite.
